CME Credits

CONTINUING MEDICAL
EDUCATION

The AMWC 2025 - Aesthetic & Anti-Aging Medicine World Congress Dubai, Dubai, United Arab Emirates, 01/10/2025 - 03/10/2025 has been accredited by the European Accreditation Council for Continuing Medical Education (EACCME®) for a maximum of **21** European CME credits (ECMEC®s).

AMA Accreditation

AMERICAN MEDICAL
ASSOCIATION

Through an agreement between the European Union of Medical Specialists and the American Medical Association, delegates attending AMWC Dubai from the USA can **convert EACCME® credits to an equivalent number of AMA PRA Category 1 Credit™**.

Physicians are encouraged to consult the AMA or their local accrediting organization to confirm eligibility and conversion processes.

CVS Accreditation

ETHICAL MEDTECH

Aesthetic & Anti-aging Medicine World Congress Dubai 2025 (1-3 October 2025) has been submitted through the Conference Vetting System (CVS) for compliance by Mecomed Medical Technology Association Middle East & Africa.

In Their Words: Exhibitor Testimonials

“

AMWC Dubai went really well. There were many more visitors at the show than we expected. We appreciated the spontaneous exchanges and business opportunities.

“

The organiser team was phenomenal, very helpful and organised throughout the whole event. The venue was a great location, however, the exhibition site felt a bit crowded.

“

Very successful first edition. I liked that doctors were not coming only from the middle east but from all around the world. Many participants stayed until the very last moment each day.

“

This meeting was far more productive and successful than I'd would ever expected (given its first edition). The event/congress staff was exceptional and helped make this congress a overwhelming success for my company. Thank you!

“

Fantastic experience. The organization was very clear since the very first contact. Staff well trained. Excellent traffic to our booth.

“

Many new business opportunities. The new “must-go” congress in the industry.

For scientific integrity

Attendees rated the information as well-balanced and evidence-based.

4.5 ★ / 5

For goal fulfillment

The conference strongly met the educational objectives of participants.

85%

will implement learnings

*Over four-fifths of attendees will apply the new knowledge **Very much** or **Quite well** in their practice.*

In Their Words: Delegates Testimonials

“

The congress was a remarkable event — top-level speakers, up-to-date topics, and excellent access and infrastructure.

“

The event logistics were handled with precision, the culinary offerings were top-notch, yet the display spaces left much to be desired.

“

Surprisingly high number of participants for a first edition of AMWC Dubai. Excellent experience. I enjoy mostly the live sessions and the venue.

In Their Words: Delegates Testimonials

“

It was a flood of latest innovations. I enjoyed the sessions, and the way things were organised.

“

Everything fantastic. High level of education. Excellent experience. I enjoy mostly the live demonstrations and the venue.

“

The conference was highly informative and well-organized. Sessions, including live demos, were particularly valuable. It was a great platform for learning.

“

I learned about new techniques and emerging treatments. It was a great experience to connect with experts and get inspired by the latest trends in our field.

“

Attending allowed me to refine my scientific research, validate my techniques through peer exchange, and translate innovation into safer, more effective, and globally aligned treatments for my patients.

“

The opportunity to learn directly from specialists who have spent years perfecting their techniques. It's incredibly valuable to gain insight from their experience and see practical approaches that I can apply.
